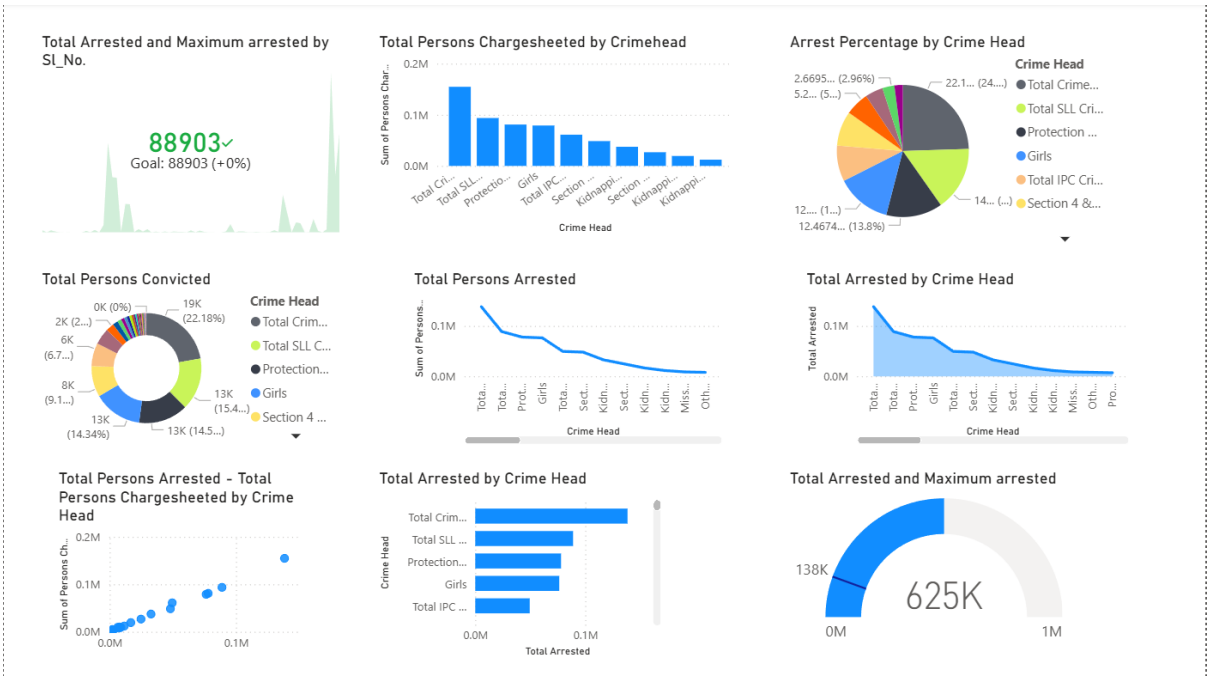
TASK 6 – DASHBOARD VISUALIZATION (PART 1)

- Create visuals using:
  - Bar, Column, Pie, Donut
  - Line, Area, Scatter
  - KPI & Gauge Cards
- ✅ *Task*: Show overall key metrics and trends.



A dashboard was created using multiple visualization techniques including **Bar Chart, Column Chart, Pie Chart, Donut Chart, Line Chart, Area Chart, Scatter Plot, KPI Cards, and Gauge Chart**. These visuals help analyze crime statistics by highlighting key metrics, category distributions, and relationships between arrests, chargesheets, and convictions.
